

**LIST OF NATURAL MINERAL WATERS RECOGNISED BY  
MEMBER STATES, UNITED KINGDOM (NORTHERN IRELAND)  
AND EEA COUNTRIES**

In accordance with Article 1 of Directive 2009/54/EC of the European Parliament and of the Council of 18 June 2009 on the exploitation and marketing of natural mineral waters<sup>1</sup>, the Commission is publishing in the Official Journal of the European Union the list of natural mineral waters recognised as such by the Member States.

The following list replaces any list of recognised natural mineral waters previously published.

**1. MEMBER STATES**

**List of natural mineral waters recognised by Belgium**

| <b>Trade description</b> | <b>Name of source</b> | <b>Place of exploitation</b> |

## 2. EUROPEAN ECONOMIC AREA

### List of natural mineral waters recognised by Norway

In accordance with Article 1 of Directive 2009/54/EC of the European Parliament and of the Council of 18 June 2009 on the exploitation and marketing of natural mineral waters<sup>4</sup> as included in the EEA Agreement, Annex II, Chapter XII, point 26, the Commission has been informed by Norway of the following consolidated list which replaces any previously published list in the EEA Section of and the EEA Supplement to the Official Journal of European Union.
